

**PUBLIC PETITIONS COMMITTEE CONSIDERATION OF PE1124:  
QUESTIONS ARISING FROM COMMITTEE MEETINGS**

**TUESDAY 17 APRIL 2012—**

**Scottish Government—**

- The report of the work on snaring undertaken on behalf of DEFFA has now been published. What is the Scottish Government's view of the report's findings and the extent to which problems and issues identified in that report exist in Scotland?
- What actions does the Scottish Government intend to take and to what timescales?

**Scottish SPCA—**

- What is the Scottish SPCA's view of the report's findings and the extent to which problems and issues identified in that report may exist in Scotland?

**TUESDAY 24 JANUARY 2012—**

**Department for Environment, Food and Rural Affairs (DEFRA)—**

- Further to earlier correspondence, when do you now expect the report of this research to be published?

**TUESDAY 1 NOVEMBER 2011—**

**Scottish Government**

- When do you intend to bring forward the snaring regulations as provided for in the Wildlife and Natural Environment (Scotland) Act 2011?

**Department for Environment, Food and Rural Affairs (DEFRA)—**

- When do you expect the report of this research to be published?

**TUESDAY 8 FEBRUARY 2011—**

**Department for Environment, Food and Rural Affairs—**

- When will you publish the report by the Food and Environment Research Agency determining the extent of use and humaneness of snares in England and Wales?

**TUESDAY 26 OCTOBER 2010—**

**Department for Environment, Food and Rural Affairs—**

- When will you publish the report by the Food and Environment Research Agency determining the extent of use and humaneness of snares in England and Wales?

**Scottish Government—**

- Can you update the Committee as soon as the report by the Food and Environment Research Agency on behalf of the Department for Environment, Food & Rural Affairs, determining the extent of use and humaneness of snares in England and Wales has been published, on what actions will you take and the impact that this report has on your position on snaring?

**TUESDAY 9 FEBRUARY 2010—**

**Scottish Government—**

- In light of the research conducted by the Food and Environment Research Agency on behalf of the Department for Environment, Food & Rural Affairs, what actions will it take and what is the impact on its position on snaring?
