PUBLIC PETITION PE1105 ON ST MARGARET OF SCOTLAND HOSPICE

Since our last update to the Public Petitioners Committee on 19 February 2014 Grant Thornton “Forensic and Investigation Services” were invited to take forward the independent financial review. Since then there has been contact between officials, St Margaret’s of Scotland Hospice and NHS Greater Glasgow and Clyde to progress and agree the terms of reference for the scope of this work.

My officials continue to support this ongoing dialogue with a view to resolving the outstanding issues and challenges that remain. This demonstrates our continued commitment to resolving this issue.
