**POW OF INCHAFFRAY DRAINAGE COMMISSION (SCOTLAND) BILL  
COMMITTEE**

**MINUTES**

**7th Meeting, 2018 (Session 5)**

**Wednesday 26 September 2018**

Present:

Tom Arthur (Convener)  
Alison Harris

Mary Fee

The meeting opened at 12.00 pm.

1. **Pow of Inchaffray Drainage Commission (Scotland) Bill:** The Committee considered the merits of the two objections lodged to amendment 9 lodged to the Bill.

In terms of the objection made by Mr and Mrs K Watkins, two parts were upheld (relating to an incorrect area of land being stated as being owned by them, and to the incorrect classification of the land they do own), and three parts were rejected (relating to penalising heritors with large gardens, the assumed value for residential land being overstated, and the resolution of disputes by impartial tribunal) on the basis that amendment 9 was not relevant to those issues.

The objection made by Mr I and Mrs K Macgregor was rejected in full.

2. **Pow of Inchaffray Drainage Commission (Scotland) Bill (in private):** The Committee considered its Second Consideration Stage report. Various changes were agreed to, and the report was agreed for publication.

The meeting closed at 12.20 pm.
