Orkney Islands Council submission of 27 February 2018

Further to your letter to my Chief Executive dated 5 February 2018, I write to provide information on Ranger Services in Orkney. At present, there are six Rangers operating in Orkney. Two of these are the World Heritage Site Rangers, three are Island specific Rangers (one each for Sanday, Eday and Papay Westray) and finally there is a RSPB Ranger on the Island of Hoy. Some links for further information are as follows:

There is some more information on the OIC website at:
