Petitioner submission of 5 November 2020

I am trying to get access to advertised jobs, the excuses I get are the councils and welfare to work agencies are not allowed or prepared to fund outside their area.

I don't want funding I need access to advertised jobs.

I recently asked South Lanarkshire council about Connect2 renewable's job scheme. I live in South Lanarkshire, but I am excluded from this because I live more than 6 miles from the advertised wind farm.
